

YEAR 10, 2024
STATIONERY LIST

The College encourages minimising waste and sees learning as occurring over many years; this includes the reuse of previous stationery from year-to-year. Students are encouraged to think sustainably and to continue using any books, clearfiles or stationery from previous years which are still in a tidy condition.

All students should have a laptop compatible with Villa Maria College's Bring Your Own Device requirements. In many subjects this replaces stationery.

Students should ensure they always have print money on their account.
