

YEARS 7 and 8
STATIONERY LIST 2024

The College works to minimise waste and recognises that learning occurs over time. Students are encouraged to think sustainably and to continue using any books, clearfiles or stationery from previous years which are still usable.

All students should have a laptop compatible with Villa Maria College's BYOD Requirements. These are available on the College website. In many subjects this replaces stationery.

Students should ensure they always have print money on their account.
